

THE
CARTER CENTER

February 8, 2016

Dear Mr. Romano,

President and Mrs. Carter have received your invitation to participate in the Our Way Home Research Institute for War Resistance and Policy Alternatives' Amnesty Working Group.

They are grateful to you for offering them this opportunity; yet due to their full schedules with the work of The Carter Center and personal obligations, they are unable to accept your offer. President and Mrs. Carter have asked me to express their gratitude to you for thinking of them and send their best wishes.

Sincerely,
